*"For from Him and through Him and to Him are all things. To Him be glory forever. Amen."*  
Romans 11:36 ESV

What woman doesn't love to read a book or watch a movie that entails romance with high risks and edge of your seat suspense? But what about when you find yourself facing *real life* suspense? There is no pause button or option to return the book. It's not fun when it feels like God has flipped the switch and we frantically pat each wall trying to turn it back on. That's when faith comes in.

Author of eight novels, Dani Pettrey has sold over 300,000 copies of her books. With her pen, Dani can dictate each action of her characters, but in *real life*, she struggles with relinquishing control. She has to remind herself daily, like most women, who's really in control. Handing her worries over to God in exchange for peace that passes all understanding has made all the difference.

When she's not inventing stories of inspirational romance and risky situations, she fulfills her role as wife and mom to two daughters, a son-in-law, and two grandsons.
